### Nelson Mandela University STUDENT MERIT AWARD: 2023

We are pleased to inform you that you have been awarded a Student Merit bursary based on your final academic results of 2022. The award, which is an amount of R1900 is valid for 2023 only, provided that you register for the full academic year.

Please note, should you cancel your registration, the bursary will be withdrawn or adjusted accordingly as follows:

- 100% of the amount will be reversed, if cancelled before the end of the first semester
- 50% of the amount will be reversed, if cancelled before the end of the second semester

This award is regarded as first payment towards your fees.

This is the final award and no re-marks/re-writes or improvement in results will be considered.

**Students that are successfully funded by the National Student Financial Aid Scheme (NSFAS) and the Vice Chancellor bursary will not be allocated the award amount.**

Refunds of the Student merit award amount may be requested in the second semester, after second semester registrations has closed.

In the situation where the student has current or historical debt, the merit award will be used to settle or partly settle the outstanding debt.

Congratulations on this award and we wish you success with your studies.
